## Description

Desirable Belleterre neighborhood of Danville. Beautiful entry to this attractive townhome is highlighted by the vaulted ceilings, Brazilian chestnut hardwood floors and designer carpet. The living room is spacious with clerestory windows, granite faced fireplace. Dining room is adjacent to kitchen and features a wall of glass windows overlooking beautifully landscaped patio. Open kitchen with kitchen island and Quartz Countertops is perfect for entertaining or day to day living. Full bedroom and bathroom downstairs for guests or perfect office. Upstairs there are 2 master suites with the main master featuring a spa-like master bathroom and both feature walk in closets. Convenient laundry adjacent to attached and over sized 2 car garage. Meticulously landscaped backyard with slate patio, gorgeous plantings and privacy throughout as it backs to greenbelt. Such an amazing location and serene home!

Fridge, Washer/Dryer is included. No Pets, Rental Insurance Required and Community Pool/Spa available. An amazing location that is walking distance to highly acclaimed Blackhawk Shopping Center and near trails/parks/open space and more.
